ABOUT OUR COMPANY

We are manufacturer, suppliers and exporters of products ranging in three versatile categories, which are; dehydrated vegetables, spray-dried, dried leaves and powder. We also deal in spices, condiments, vegetables, fruits & dehydrated powders and lakes. We are one of the leading suppliers and exporters of these products in the industry. We have our base located in the state of Gujarat. We have an edge over other businesses in that we take advantage of our strategic location and procure fresh and the finest quality raw onions, garlic's and other vegetables for producing superior-grade dehydrated products that we offer for distinctive uses.

We are dedicated to catering to the needs of quality-conscious customers by precessed them with top-mutch quality dehydrated products processed using advanced technologies and world-class quality-centric processes. Our foams is on superior quality, extremely hygienic, natural flavors and swift supply of products. Our motto is to achieve complete customer satisfaction. We carefully look after the packaging and make sure that it is designed in an innovative key, dislimc for each and every product, holding them in a secure manner to ensure better delivery of our products.

The company unit spread with suitable, naturally clean fresh environment for manufacturing and processing of dehydrated food industries in Mahuva, Gujarat (India), Rajkot, Gujarat (India) and head office is in Velanja, Surat, Gujarat (India).
